

# 120w solar lighting system

## Overview

---

What is anern 120 watt solar street light?

Anern factory covers an area of more than 30,000 square meters, and the supply capacity can fully meet any needs of customers. Anern 120 watt solar street light is a solar-powered road light that provides ideal illumination for wide application. Cost-effective, Energy efficient, Easy installation, Environmentally friendly.

What is a 12V 120W solar panel?

Ideally suited for a motorhome or large caravan. This 12v 120w solar panel is powerful enough to keep your battery charged over long periods away without starting the generator or plugging in to an external source. Comes with MC4 connectors so they are easily added to a string and protected from the wet weather.

What is an 18W solar home lighting system?

An 18W Solar Home Lighting System is the smallest capacity solar lighting system for a home to use sunlight for running the CFLs. The system comes with a wide range of specifications at affordable prices. It is a compact and easy-to-install system that can provide a battery backup of up to 6 hours.
