

# 60kW Mobile Energy Storage Container for Base Stations

## Overview

---

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Who is LZY energy storage?

Founded in 2012 Shanghai LZY Energy Storage Co., Ltd., based in Shanghai, China, is a comprehensive enterprise integrating R&D, production, and sales, specializing in industrial manufacturing and energy storage solutions. LZY container specializes in foldable PV container systems, combining R&D, smart manufacturing, and global sales.

Who is LZY container?

LZY container specializes in foldable PV container systems, combining R&D, smart manufacturing, and global sales. Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology.

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.
