

Air transportation of energy storage batteries to Ho Chi Minh City Vietnam

Overview

How much is air freight from China to Ho Chi Minh?

For instance, the door-to-door air rate from China to Ho Chi Minh is \$3.50 per kilograms except Vietnam customs fees may apply. Considering the flight duration only, the direct flight takes rough 4-5 hours. For an express freight you can add around 2 or 3 days. And 4-5 days for a classic air freight for your goods to be delivered.

How to transport goods from Shanghai to Ho Chi Minh city?

It is also possible to transport goods by road from Shanghai to Ho Chi Minh City. The total distance is around 3,794 km and will usually takes around 1 day 20h by road. Note: This time estimate is based on typical traffic conditions and does not take into consideration delays or congestion. See carrier information, schedules and estimated emissions.

How much does it cost to ship a container to Vietnam?

For instance, the port-to-port container rate from FOB Shanghai China to Ho Chi Minh is \$400 for 1x40HC. The average transit time to ship a container to Vietnam from China via sea freight is from 6 days to 10 days.

How to get from Shanghai to Ho Chi Minh city?

Compare transit times, frequency, emissions, sailing schedules and much more. The quickest way to get from Shanghai to Ho Chi Minh City by plane will take about 4h 20m and departs from Shanghai Pudong International Airport (PVG) and arrives into Tan Son Nhat International Airport (SGN). There are flights departing every few hours on this route.

Air transportation of energy storage batteries to Ho Chi Minh City V

[Vietnam strengthens energy storage pathway](#)

Dec 4, 2025 · Vietnam sharpened its national energy storage roadmap this week as government leaders and industrial operators aligned on BESS deployment.

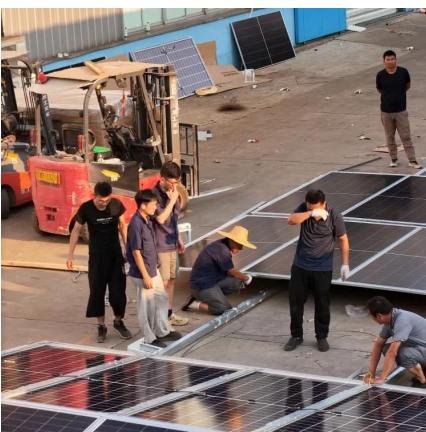

Vietnam promotes green manufacturing through energy storage batteries

Dec 3, 2025 · Under pressure to reduce industrial emissions and promote green energy, battery storage and clean transportation solutions are being deployed.

[New tech aids safe air transport of lithium batteries](#)

2 days ago · A new technology enabling the safe air transport of lithium batteries has been successfully tested in China, a breakthrough expected to facilitate trade as the use of such ...

[Sector Analysis Vietnam](#)

Sep 24, 2025 · At the same time, the demand for battery energy storage systems (BESSs) is accelerating, driven by Vietnam's abundant renewable energy (RE) potential, particularly in ...

Promoting The Standardization of Energy Storage Systems In Viet Nam

Hanoi, June 26, 2025 - Amid a strong energy transition and Viet Nam's efforts to fulfill its commitments toward achieving net-zero emissions by 2050, the research and deployment of ...

[Shanghai to Ho Chi Minh City](#)

See the best way to ship your freight from Shanghai, China to Ho Chi Minh City, Vietnam by Air, Sea and Road. Compare transit times, frequency, emissions, sailing schedules and much more.

Ship from Shanghai to Ho Chi Minh City - Sea, Road, Rail & Air ...

Looking to ship cargo between Shanghai, China and Ho Chi Minh City, Vietnam? Compare freight options by sea, road, rail & air, find the best route and request quotes for your shipment.

[Development of Battery Energy Storage Systems in Vietnam](#)

Categorising BESS projects by application, integration and battery technology BESS projects by application Grid scale BESS can be used for frequency regulation, peak shaving (i.e. reducing ...

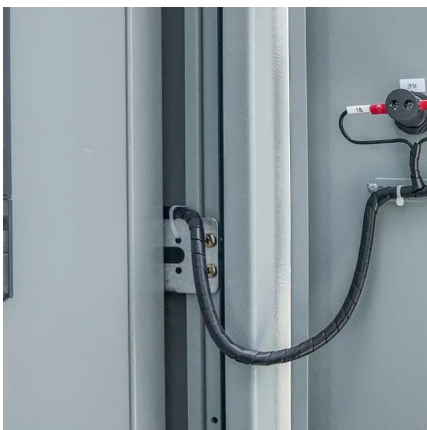

[New tech aids safe air transport of lithium ...](#)

2 days ago · A new technology enabling the safe air transport of lithium batteries has been successfully tested in China, a breakthrough expected ...

[Vietnam's Key Role In Asia's Clean Energy Supply Chain](#)

By Ee-Hui Tan , August 18, 2025 As Vietnam accelerates its clean energy transition, lithium battery logistics is becoming a key enabler of growth. With the right infrastructure, policies, and ...

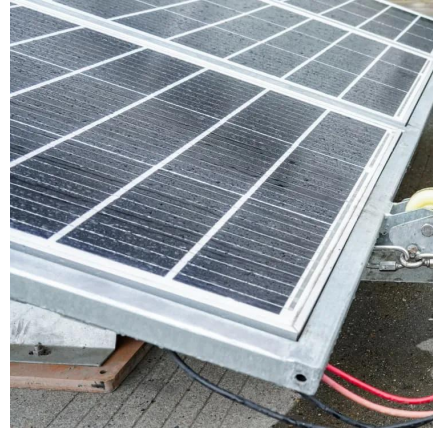

[China-Vietnam Shipping , CFC](#)

A lot of parameters are influencing the prices for this transport method, like the kerosene prices, the airlines, the type of goods, the volumetric weight, the origin airport and the destination ...
