

Al jameel switchgear in China in Kenya

Overview

Who is switchgear limited?

Switchgear Limited formerly known as Switchgear and Controls Limited was established in 1974 as a pioneer in the manufacture and supply of Low Voltage Distribution Boards, Motor Control Panels, Power Factor Correction Panels, Automatic Mains Failure Panels, Control Desks, PLC and Instrumentation Panels among many other electrical components.

Who is KDM Electric switchgear manufacturer & supplier?

KDM, as one of the leading China-based electric switchgear manufacturer and supplier, we offer all-in-one reliable and cost-effective solution. KDM has been in the engineering and manufacturing switchgears for more than 10 years. We and our kind of product are known for their reliability, efficiency and affordability.

Why should you choose KDM Electric switchgear?

KDM produces wide range of electric switchgear from different dimensions, features, and finishes. Our skilled designers and engineers ensure excellent property of resistance switchgear to perform both outdoor and indoor applications. Provides full protection in most critical power distribution and technology.

What is an automated power system with switchgear?

Parts of the power grid can then be quickly restored and the damage radius is minimized. A good example of an automated power system with switchgear can be found practically on any modern power station. Also, such systems are frequently used on manufacturing sites and other facilities where huge electricity consumption can be met.
