

Aurora solar inverter factory in Thailand

Overview

Who is Thai solar power?

Thai Solar Power is a top solar panel contractor in Thailand, known for neat, safe, and reliable installations. We specialize in design and engineering, have a strong track record of successful projects, and provide long warranties for both work and components. Our solutions are cost-effective and use only high-quality parts.

What makes Thailand's solar inverter industry unique?

Thailand's journey towards renewable energy dominance is marked by the innovative strides of its solar inverter manufacturers. From Bangkok's bustling markets to Chonburi's industrial heartlands, the country is carving out a niche for itself on the global stage, powered by companies like Enphase, Huawei, Sofar, Solax, and Victron Energy.

Where are solar inverters made in Thailand?

A short drive southeast from Bangkok brings you to Chonburi, a province that has rapidly transformed into a manufacturing powerhouse for solar inverters in Thailand. Its rise is attributed to the expansive Eastern Seaboard Industrial Estate and other industrial zones that are home to state-of-the-art manufacturing facilities.

Who is Sofar inverter Thailand?

From its base in Bangkok, Sofar Inverter Thailand offers a diverse range of solar inverter products, including grid-tied inverters, hybrid inverters, and battery storage solutions. This wide product spectrum ensures that Sofar can meet the varied needs of the Thai solar sector, from residential rooftop installations to commercial solar farms
