

Bandar Seri Begawan rooftop flat solar tile supply

Overview

What are roof tiles made of in Malaysia?

Traditionally, roof tiles in Malaysia are made from clay or slate. However, these days, roof tiles are also made of concrete materials. Supercool offers a wide range of roof tiles for homes and offices. We provide and install premium quality roofing solutions in Malaysia, where manufacture only the best roof tiles.

What is a goodwe solar roof tile?

The GoodWe Sunshine Series is an integrated solar roof tile solution for pitched rooftops to replace traditional solar panels and framework for a sleek, aesthetically-pleasing result, that also maximises your rooftop space for more solar production. The integrated tempered double-glass structure ensures the safety of the roof structure.

Why should you choose supercool roof tiles in Malaysia?

Supercool offers a wide range of roof tiles for homes and offices. We provide and install premium quality roofing solutions in Malaysia, where manufacture only the best roof tiles. Roof tile is an important finishing component to your home, especially under harsh weather conditions like we have in a tropical country like Malaysia.

Do heritage buildings in Penang & Melaka use clay roof tiles?

Many heritage buildings in Penang and Melaka use Heritage Roof Tiles. Peranakan V and Peranakan 8 clay roof tiles captures the essence of heritage architecture with self-interlocking design giving a tropical resort charm.
