

Battery cabinet communication power supply

Overview

What are Arimon battery cabinets?

Arimon uninterruptible power supply (UPS) backup battery cabinets are available for either front access batteries or top terminal (monobloc) batteries. All battery cabinets are constructed from heavy gauge steel with a durable welded frame and acid resistant powder coated finish available in a wide range of colors.

What is an integrated energy cabinet?

As one of our highlights, the integrated energy cabinet integrates multiple functions such as power distribution, environment monitoring and safety protection into one, providing a full range of energy management and protection for communication sites.

What is an outdoor integrated power supply?

The outdoor integrated power supply is designed for those scenes with limited space and complex environment, and has won wide recognition in the market for its compact size, excellent adaptability and stable performance.
