Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

Who is Wholesale Solar?

Wholesale Solar is a 100% employee-owned business with over 50 employees that has grown from its family-owned beginnings. They cover many different topics within the solar industry on their blog, providing the reader with a wide variety of in-depth information. On their blog, Wholesale Solar is known for.

Why should you choose a solar panel system?

Having a source of energy thanks to solar panel system makes it possible to reduce your customers' dependence on the national electricity network and fluctuations in the price of energy. This is one of the solutions to better control your electricity bills.

Is solar energy a good investment?

Instead, solar energy is above all an investment, because a good solar installation will not only pay for itself but also generate income. Solar panel efficiency is considered to reach its break-even point in 15 years. However, a quality installation benefits from a lifespan of between 25 and 30 years.
