Overview

Where can I buy 40 ft shipping containers?

Discover 40-foot shipping containers for sale at Eveon Containers. Our wind and watertight units feature durable marine-grade plywood floors, ensuring long-lasting storage solutions.

What is a 40 ft container used for?

40ft units can be used for commercial, residential, and shipping industry applications. There are a few types of 40-foot shipping containers, but the most common one is the standard dry 40' shipping container. These storage containers are easy to load and unload and can hold products that are dense or have a lot of weight.

What is a 40 x 48 bulk container?

40" x 48" bulk containers are ideal for protecting your product during processing, storage, and distribution in various industries. Originally designed by the grocery industry as a durable and reusable replacement for wooden pallets, the 40" x 48" bulk container has become the standard for truck trailers and international shipping containers.

How much cargo can a 40ft container hold?

Compared to a 20ft shipping container, a 40ft container can pack a whopping 2.53 m of cargo for every ton of weight. Meaning, a 40' container can hold up to approximately 26.76 tons of cargo. 40ft units can be used for commercial, residential, and shipping industry applications.
