What is Switchgear Industries?

Switchgear Industries is a dependable and famous manufacturer and supplier of various electrical control panels such as Plastic Molding Machine Control Panels, Flameproof Control Panels, APFC Panels, Power Distribution Panels, Marshalling Boxes, and RTCC Panels.

Where are switchgears made?

Our range of switchgear is born and bred in Australia. We began our journey over twenty years ago and are proud to have supported many businesses across Australia, New Zealand and the Pacific during this time. Our local staff are the backbone of our organisation.

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.
