

Community use of 120-foot folding shipping container

Overview

What is a collapsible shipping container?

Shippers are demanding improved efficiencies and sustainability throughout their supply chains. COLLAPSECON is the collapsible shipping container pioneering the future of global trade. It's practical and rigid design saves on space, cost and handling, and helps to significantly reduce industry emissions.

Why should you use seafold containers?

SeaFold containers, known for their efficiency and environmental benefits, have the potential to redefine operations in several critical areas. In maritime operations, SeaFold containers deliver substantial cost savings for one-way cargo shipments through more efficient loading and unloading procedures.

What is compact containers?

Compact Containers serves the global shipping and intermodal industry with an efficient, low-cost means to transport containers by Road, Rail, or Sea. Discover the future of cargo logistics with Compact Containers. Our SeaFold 40' collapsible containers redefine efficiency & cost savings.

What is maritime world's first ISO-certified five-in-one shipping container?

posted by AJOT | Oct 24 2024 at 10:11 AM | Maritime World's first ISO-certified five-in-one shipping container set to improve the transportation and logistics industries' efficiency and sustainability.
