

Control switchgear in China in Uk

Overview

Who is Switchgear systems Ltd?

Switchgear Systems Ltd specializes in manufacturing a wide range of electrical switchgear, offering products from 20A to 7000A for various industrial applications. Their offerings include isolators, switchfuses, changeover switches, and more, all customizable to meet specific requirements.

Who is Knight electrical switchgear?

Knight Electrical Switchgear Ltd specializes in manufacturing and installing low voltage switchgear and electrical control panels, ensuring compliance with industry standards. They provide comprehensive project solutions, from design to final installation, and have established strong relationships with leading switchgear component manufacturers.

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

What is switchgear & how does it work?

Switchgear protects electrical equipment and circuits from damage caused by overcurrent, voltage spikes and other faults in the system. Our goal at DOHO is to be complete solutions provider for all your switchgear product needs.
