

Danish solar water pump manufacturer

Overview

Who makes solar water pumps?

WBS began producing water pumps in 1998. In 2008, we independently developed and produced solar water pumps. We have OEM production for more than 200 solar pump dealers around the world. Over the past 10 years, we have produced more than 150,000 sets of solar water pumps that have been exported to other parts of the world.

Who is danpumps?

After being part of SonFlow, DanPumps became an independent company again in November 2023, fully dedicated to the development and manufacture of pumps tailored to meet the specific needs of our customers. DanPumps offers a broad range of pumps for various applications, including wastewater, marine, industrial, and construction sites.

Who owns danpumps a/s?

In 2013, DanPumps A/S was established as a Danish sales company, partially owned by Sondex A/S. Later, in 2016, Sondex A/S—including DanPumps A/S—was acquired by Danfoss A/S. In April 2017, Aage Søndergaard Nielsen bought back the pump assets from Danfoss and re-established DanPumps A/S as an independent company.

Is danpumps ISO 9001 certified?

DanPumps is ISO 9001:2015 certified, and we place great emphasis on advising our customers and developing solutions that meet their precise requirements.
