

# Distribution breaker for sale in Canberra

## Overview

---

Where can I Buy Circuit distribution products in Australia?

Choose from a huge range of circuit distribution products, with great prices available and nationwide delivery. As Australia's leading electrical wholesaler, Lawrence & Hanson electrical provides offers a complete range of circuit distribution products.

Does Outback sell circuit breaker?

We stock an extensive range of circuit breakers designed for 4x4, caravans, and marine applications. From manual reset options to waterproof designs, we stock breakers to suit 12V-42V systems. Browse Outback Equipment for quality and variety in every product. What is a circuit breaker used for?

.

What does a circuit breaker do?

A circuit breaker is a safety device that protects your electrical system. It stops electricity if there is an overload or short circuit. Overloads happen when too many devices run on the same circuit, like a toaster, microwave, and kettle. Short circuits occur when damaged wires or faulty appliances create an unsafe current.

Can a circuit breaker be used multiple times?

Unlike a fuse, a circuit breaker can be used multiple times. We stock circuit breakers designed for low voltage AC & DC applications including automotive bladed breakers, DIN rail mount circuit breakers, panel mount circuit breakers, and surface mount circuit breakers with manual or automatic reset.
