

# **Egypt Energy Storage Power Station Development Cooperation**

## Overview

---

When will 'nwfe' projects be connected to the national electricity grid?

H.E. Dr. Rania A. Al-Mashat, Minister of Planning, Economic Development, and International Cooperation, stated that four projects listed under the energy pillar of the "NWFE" program will be connected to the national electricity grid by the upcoming summer.

How many megawatts Emiya & Scatec stations are there?

The projects scheduled for connection include the EMIYA station with a capacity of 1,000 megawatts in Southeast Benban, the Scatec station with a capacity of 1,000 megawatts in Nagaa Hammadi, the Masdar station with a capacity of 900 megawatts in El-Wahat, and the 500-kilovolt transformer station in the 10th of Ramadan in the Sharqia governorate.

How does the energy sector affect economic development?

H.E. Minister Al-Mashat further explained that the focus on the energy sector has a significant impact on efforts to achieve economic development and increase investments in various sectors.

## Egypt Energy Storage Power Station Development Cooperation
