

Equatorial Guinea Communications 5G Base Station Project Bidding

Overview

Why did GETESA become a national mobile network of Equatorial Guinea?

AB - This paper focuses on the modernization of the first national Mobile Network of Equatorial Guinea, called GETESA. The government's decision to invest and take full control of the network was motivated by the lack of network quality, which had poor capacity, with 69% of the network coverage Received-Signal-Code-Power (RSCP) below 95dBm.

How many government tenders were awarded in Equatorial Guinea in 2023?

The national eGP platform lists tenders and contracts. In 2023, 547 tenders were awarded, a fraction of published bids. With a new focus on efficiency and international standards, Equatorial Guinea aims to attract wider participation and ensure resources benefit the nation. Find all government tenders from Equatorial Guinea with 100% accuracy.

What is Equatorial Guinea RFP & RFQ?

Equatorial Guinea RFP - A document outlining the Equatorial Guinea government's requirements for a proposed project or service, inviting vendors to submit detailed proposals. Equatorial Guinea RFQ - An RFQ is sent to potential suppliers to solicit specific pricing for goods or services by the Equatorial Guinea's government.
