

# **Haiti solar container battery customization company**

## Overview

---

Who is Haitai solar?

Haitai Solar entered the photovoltaic mounting system field in 2021, focusing on R&D, design, manufacturing, and sales of photovoltaic mounting systems. Annual production capacity reaches 100,000 tons, capable of installing 4GW of modules. Leveraging industry diversification, we provide the most professional solutions for customers.

What is the production capacity of Haitai solar?

Current global module production capacity is 10GW. Haitai Solar entered the photovoltaic power station field in 2017, holding a Class II Qualification for General Contracting of Power Engineering and a Class III Qualification for Power Facility Installation, Repair, and Decoration.

What services does Haitai power offer?

As a comprehensive power engineering company, Haitai Power can provide full-spectrum services covering multiple stages including new energy project development, engineering construction, operation maintenance, and technical consultation, offering clients a one-stop solution. "Tailaidian" is a co-construction cooperative product launched by Haitai.

## Haiti solar container battery customization company

### [custom lithium battery energy storage in haiti](#)
