

How to fix the double glass components in the sun room

Overview

What are the parts of repairing a sunroom?

The main parts of repairing a sunroom consist of: 1. Replacing Damaged Windows and Frames Often, old sunrooms suffer from deteriorating windows and frames, compromising both their functionality and aesthetics.

Does Buena Vista sunrooms repair sunrooms?

Call us for a free estimate on what it will take to restore your sunroom and bring it up to top performance. Buena Vista Sunrooms repairs all kinds of glass structures including skylights, sunrooms, patio enclosures, sunrooms, greenhouses, and solariums.

What if my sunroom is not working?

If the electrical in your room is not working, or you want to add lights or plugs, we can help. If your skylight or sunroom leaks, we can eliminate the leaks and keep the weather out. If the curved glass in your sunroom is cracked, broken or no longer optically clear, we will replace it. Your sunroom or solarium may get too warm.

Can I re-glaze my sunroom?

Your sunroom or solarium may get too warm. We can re-glaze it with high performance LowE glass, tinted glass or solid panels that reduce solar heat gain. We supply and install both interior fixed and roll-up shades in many different colors, and exterior shades. Do you need ventilation in your sunroom?
