

Huawei Myanmar rooftop solar panels

Overview

Who makes fusionsolar products in Myanmar?

Global Star Co. Ltd., a subsidiary of Dagon Group, and United Amara Bank (UAB) have partnered with Chinese ICT giant Huawei to distribute its FusionSolar line of products in Myanmar. Huawei and Global Star, which is owned by junta crony U Win Aung, unveiled their partnership in Yangon on Feb. 23.

What is smart power Myanmar?

Smart Power Myanmar has been a leader in wide-scale use of on-grid and off-grid electrification since 2019. Beginning in 2023, the project partnered with The Global Energy Alliance for People and Planet to catalyze solar finance for Myanmar's commercial and industrial small and medium-sized enterprises.

Can solar energy improve climate resilience in Myanmar?

By investing in solar energy infrastructure, countries like Myanmar can reduce their carbon footprint and build resilience against climate-related risks. However, catalyzing climate finance is essential to scale up these efforts.

How can a small business benefit from solar power in Myanmar?

Businesses switching to solar typically reduce their energy costs by more than 50%. Through Smart Power Myanmar, we provide technical planning and support to small-to-medium enterprises seeking solar power and offer financial guarantees to unlock solar loans from Myanmar banks.
