

Hungary Professional Communication BESS Power Station

Overview

Where is the largest battery energy storage system in Hungary?

Image: MET Group. IPP MET Group has put a 40M/80MWh BESS in Hungary into commercial operation, deployed using technology from Huawei. The 2-hour battery energy storage system (BESS) is the largest in Hungary, Switzerland-headquartered MET Group said, deployed at its Dunamenti thermal power plant in Százhalombatta, near Budapest.

How much power does met have in Hungary?

The new facility boasts a total power output of 40 MW and a storage capacity of 80 MWh. This project significantly expands MET Group's energy storage portfolio in Hungary. It joins a smaller 4 MW / 8 MWh demonstrator BESS, which utilizes Tesla Megapack 2 batteries and was installed at the same site in 2022.

Will Hungary's new battery energy storage system help Green the grid?

The new facility supports a growing push to green Hungary's power grid. Hungary has just switched on its largest battery energy storage system (BESS) to date, stepping up its role in Central Europe's growing grid-scale energy transition.

How met group contributes to the energy transition in Hungary?

On site at the Dunamenti Power Station in Százhalombatta, MET already installed a 4 MW / 8 MWh demonstrator plant based on Tesla Megapack 2 batteries in 2022. With this latest BESS plant which went into operation today, MET Group and the Dunamenti Power Station are further strengthening their contribution to the energy transition in Hungary.

Hungary Professional Communication BESS Power Station

[Hungary powers up largest battery storage ...](#)

Jun 20, 2025 · Hungary powers up largest battery energy storage in green transition push Hungary joins its neighbours in scaling up grid-scale ...

[MET Group Commissions Hungary's Largest Standalone ...](#)

Jun 19, 2025 · MET Group has inaugurated Hungary's largest standalone battery energy storage system (BESS) at the Dunamenti Power Station in Százhalombatta, further advancing efforts ...

[MET Group inaugurates largest BESS in ...](#)

Jun 20, 2025 · Image: MET Group. IPP MET Group has put a 40M/80MWh BESS in Hungary into commercial operation, deployed using technology ...

[MET Group commissions Hungary's largest battery storage ...](#)

Jun 19, 2025 · Swiss-based energy company MET Group has officially inaugurated Hungary's largest standalone battery energy storage system (BESS) at its Dunamenti Power Station in

...

[MET Group Inaugurates Hungary's Largest BESS Facility](#)

Jun 20, 2025 · MET Group expands its role in Hungary's energy transition with a new BESS plant at Dunamenti Power Station.

[MET Group celebrates BESS milestone in Hungary](#)

Jun 24, 2025 · MET Group has inaugurated Hungary's largest standalone battery energy storage system (BESS), marking a major milestone in the country's energy transition. Located at the ...

[Hungary Activates Largest Battery System Near Budapest](#)

Jun 20, 2025 · Hungary has taken a significant step forward in its energy transition with the inauguration of its largest standalone battery energy storage system (BESS). Located near ...

[MET Group inaugurates Hungary's largest battery energy ...](#)

Jun 19, 2025 · Hungary's largest operating standalone battery energy storage system (BESS) has been inaugurated today: MET Group put into operation a battery electricity storage plant with ...

[MET Group Powers Up 40 MW / 80 MWh Battery Facility at ...](#)

Jun 20, 2025 · MET Group has officially commissioned Hungary's largest standalone battery energy storage system (BESS), marking a major milestone in the country's journey toward a ...
