

Industrial and commercial container wholesale

Overview

What is a bulk container used for?

Constructed of heavy-duty materials, bulk containers can also be used to ship and transport goods. Available in wire, collapsible, forklift-able, pallet, stackable, or insulated forms, bulk containers provide reliable and durable storage and shipping solutions for commercial and industrial applications. And more. And more. .

What are the most popular shipping containers in China?

The most popular shipping containers are the 20FT, 40FT and 40FT High Cube (HC) variants. The 10FT container is unsuitable for transport and therefore is less common. For shipping containers in China we would advise to invest in 40FT or 40FT HC containers because of the great capacities. Read more about the weight and sizes on this page.

Where isalconet containers located?

Alconet Containers is located near the port of Rotterdam, the largest port in Europe. Beside shipping containers we buy and sell also special types of containers. From reefer containers to flat rack containers, open top containers and tank containers.

How many specialized container solutions are there?

Our specialized container solutions feature 12 series with over 100 configurations, engineered for intermodal logistics, mining, construction, energy sectors, and beyond.
