## Overview

---

Where can I buy a generator & inverter in New Zealand?

As New Zealand's largest Boating, Fishing, RV, and Outdoors retailer, Burnsco offers expert solutions for every stage of your journey. With 19 stores nationwide and an easy-to-use website, you're never far from your favourite shop. Shop inverters & generators for sale for your RV at Burnsco NZ, including portable power stations.

What inverter brands are available for motorhomes?

Check out our inverter brands, they include, Victron, Power Train, Projecta, Dometic, and more. Browse our selection of inverters for motorhomes at RV Solutions. Find reliable power solutions for your motorhome's electrical needs.

What is a RV power inverter?

Our range of power inverters allow you to safely operate all your favourite appliances and devices, including electric lights, computers, TVs, radios, and more. With a rv power inverter, you'll never have to worry about being without power again. Plus, our rv inverters are easy to use and come in a variety of sizes to fit your needs.

How much power does a motorhome inverter use?

Keep the essential motorhome appliances running smoothly with inverters that allow you to transfer 12v power to larger and more power-intensive uses. 400w-300w inverters are available, the larger of which have great high-surge capacity for appliances requiring more start power.
