

Is there any portable power bank in Chiang Mai Thailand

Overview

How much does a power bank cost in China?

Chinese media estimate that the sourcing price for each power bank is between US\$7 to US\$10, and up to US\$1,000 for each charging station. The cost is far lower than setting up a dockless bike sharing business, where a bike alone could cost several hundred dollars. That's not counting the money spent on maintenance and recovery.
