

Italian solar container communication station wind power lawsuit

Overview

Does Italy have jurisdiction for a climate lawsuit against Eni?

Landmark ruling: Italy's Supreme Court has confirmed that Italian civil courts have jurisdiction to hear the climate lawsuit brought by Greenpeace Italy and ReCommon against ENI, allowing the case on its merits to proceed.

Does encavis own a photovoltaic plant in Italy?

Encavis owns all the remaining 58 Claimants 3, which are all local Italian operating companies owning one or more photovoltaic plants in Italy 4. 32.

Can Italian courts have jurisdiction over Eni emissions claims in foreign countries?

While the ruling doesn't enter into the merits of the case, Greenpeace and ReCommon highlighted the judges' determination that Italian courts can have jurisdiction over claims about emissions by Eni subsidiaries in foreign countries, since in this case, harm allegedly occurred in Italy and decisions were made by the Italy-based parent company.

Why does Italy have a dispute about renewables?

This dispute relates to Italy's legal and regulatory framework for development of renewables. It arises out of Italy's 2013 and 2014 amendments to the support scheme that it had previously enacted to incentivize investment in the then emerging renewable energy sector.
