

Malaysia smart energy storage power station construction

Overview

KUCHING, Feb 14: With growing demand for a stable and reliable electricity supply, Sarawak Energy has commissioned Malaysia's first utility-scale Battery Energy Storage System (BESS) at Sejingkat Power Plant—a RM128 million facility with a 60-megawatt (MW) capacity and 82-megawatt-hour (MWh) storage, energised in December 2024. What is Malaysia's first utility-scale battery energy storage system?

Malaysian utilities company Sarawak Energy has commissioned what is described as the nation's first utility-scale battery energy storage system (BESS). The 60 MW/82 MWh BESS, which was first energized in Dec 2024, shares the site with the soon-to-be-phased-out Sejingkat Power Plant, first commissioned in 1998.

Is Sarawak Energy launching a battery energy storage system in Malaysia?

With the growing demand for reliable electricity supply, Sarawak Energy has recently commissioned the first utility-scale Battery Energy Storage System (BESS) in Malaysia.

What is energy storage system in Malaysia?

Outlook of energy storage system in Malaysia Energy storage is one of the emerging technologies which can store energy and deliver it upon meeting the energy demand of the load system.

Is Malaysia ready for energy storage?

(Photo: iStock) Malaysia is rapidly expanding solar and other intermittent renewable generation, creating strong momentum for energy storage. The country's first four large-scale grid-connected storage projects have attracted significant interest, with more than 20 companies submitting over 30 proposals.

Malaysia smart energy storage power station construction

[Battery storage power station - a ...](#)

4 days ago · This article provides a comprehensive guide on battery storage power station (also known as energy storage power stations). These ...

[Sarawak Pioneers Malaysia's First Utility-Scale ...](#)

Feb 14, 2025 · KUCHING: Sarawak made history with the launch of Malaysia's first utility-scale Battery Energy Storage System (BESS) at ...
