

Monaco makes home energy storage company

Overview

Who owns the electricity in Monaco?

Monaco's sole national power company is Société Monégasque de l'Electricité et du Gaz (SMEG, Monegasque Electricity and Gas Company), which operates the country's electric and gas grid and provides related services. SMEG is 60% owned by Engie, 20% by the State of Monaco, 15% by EDF, and the rest by private investors.

What is energy in Monaco?

Energy in Monaco describes energy production, consumption and importation in the Principality of Monaco. Monaco has no domestic sources of fossil fuels and relies entirely on imports of electricity, gas and fuels from France.

Why should you choose a one-stop energy storage solution?

One-Stop Energy Storage Solution, More simple, More efficient, More comprehensive, Providing you with the best service experience. It has multiple advantages such as safety, reliability, ease of use, and flexible adaptability.
