

North America solar Energy Storage Project

Overview

Where can I find more information about Enel North America?

Visit enelnorthamerica.com and on LinkedIn, X, Facebook, and YouTube to learn more. Enel North America secured a tax equity investment from Nestlé that enabled the completion of the Stampede solar-plus-storage project in Texas.

Will Nestlé invest in a solar plant?

Nestlé is the sole tax equity investor for the project and will also purchase the renewable energy attributes from the entire output of the solar plant, accelerating the company's work to reduce greenhouse gas emissions in its U.S. operations and use more renewable energy to manufacture its products.

How much energy does Enel North America have?

Its installed portfolio includes over 10.3 GW of utility-scale renewable capacity, 1.3 GW of utility-scale energy storage and 106.9 MW of distributed energy storage capacity, 4.9 GW of demand response capacity, and 193,000 electric vehicle charging ports. Visit enelnorthamerica.com and on LinkedIn, X, Facebook, and YouTube to learn more.

How much does Stampede's bifacial photovoltaic project cost?

Stampede's bifacial photovoltaic (PV) panels, which began producing power in June 2024, are paired with an 86 MWdc battery energy storage system, which is undergoing final commissioning. Over its lifetime, the project is expected to provide over \$70 million in combined tax revenue and payments to landowners.

North America solar Energy Storage Project

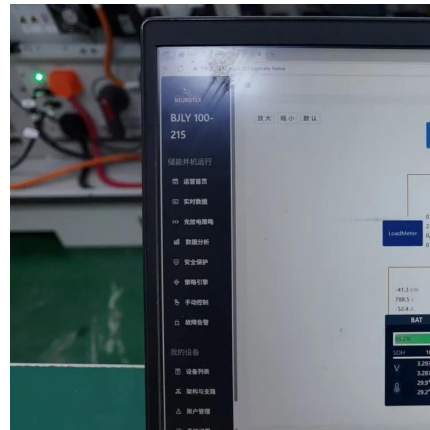

Enel starts operations at solar-plus-storage plant in Texas, ...

Aug 22, 2024 · Enel North America, the subsidiary of Italian utility Enel, has started operations at its 326MW solar-plus-storage plant in the US state of Texas. The Stampede project started ...

[Enel North America launches new solar and ...](#)

Feb 8, 2025 · Enel North America has taken a significant step in advancing renewable energy by launching its new Estonian solar-plus-storage facility ...

[Enel starts operations at solar-plus-storage ...](#)

Aug 22, 2024 · Enel North America, the subsidiary of Italian utility Enel, has started operations at its 326MW solar-plus-storage plant in the US state ...

Enel North America completes 202-MW solar + storage project ...

Feb 6, 2025 · Enel North America, a clean energy, has started operations at the Estonian solar + storage plant in Delta County, Texas. The 202-MW solar PV facility is paired with a 104-MW ...

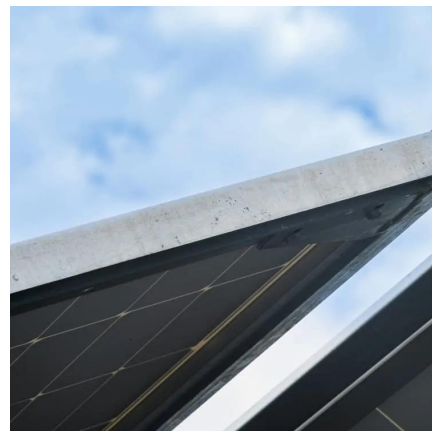

Enel North America Launches 306 MW Solar-Storage Project ...

Feb 10, 2025 · Enel North America has officially launched the Estonian Solar project in Delta County, Texas, featuring 202 MW of solar power paired with a 104-MW battery energy storage ...

Trina Storage and Lightshift Energy Strengthen Strategic ...

1 day ago · Building on nearly three decades of solar and storage expertise, Trina Storage delivers safe, reliable, and cost-effective systems that accelerate the clean energy transition.

Enel North America commences operation of solar plus storage project ...

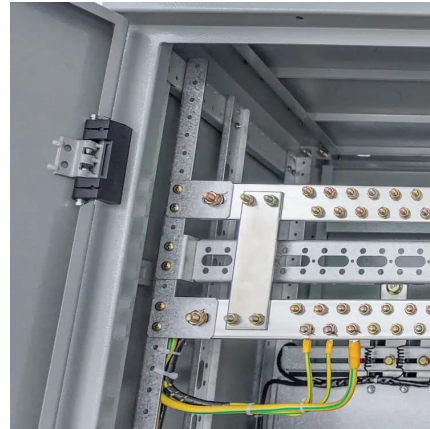

Feb 12, 2025 · Enel North America has commenced operations of the Estonian solar-plus-storage plant which is situated in Delta County, Texas. This solar plus storage project consists of a 202 ...

[Milagro Solar+Storage Project Powers Up in New Mexico](#)

Oct 4, 2025 · EDF power solutions North America and El Paso Electric (EPE) have announced the Milagro Solar+Storage project is now operational. The 150 MW solar project features a 75 ...

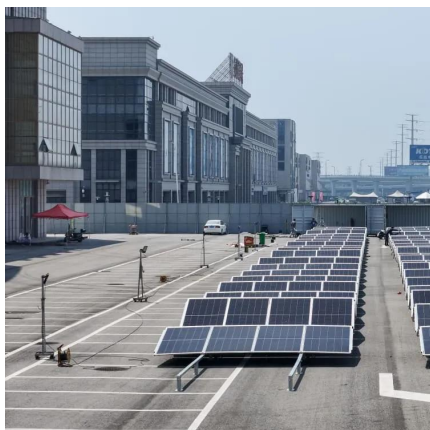

[Enel's Stampede solar-plus-storage brings ...](#)

Aug 21, 2024 · Enel North America secured a tax equity investment from Nestlé that enabled the completion of the Stampede solar-plus-storage ...

Enel's Stampede solar-plus-storage brings clean energy with ...

Aug 21, 2024 · Enel North America secured a tax equity investment from Nestlé that enabled the completion of the Stampede solar-plus-storage project in Texas.

Enel North America launches new solar and battery plant in ...

Feb 8, 2025 · Enel North America has taken a significant step in advancing renewable energy by launching its new Estonian solar-plus-storage facility in Delta County, Texas. This state-of-the ...

5 MW AC Distributed Solar and Battery Energy Storage System Project ...

3 days ago · -PowerBank Corporation, a leader in North American energy infrastructure development and asset ownership, is pleased to announce that it has executed a lease ...

CVE North America launches 7-MW solar-plus-storage project ...

May 16, 2025 · The project marks CVE's entry into energy storage in New York and expands its portfolio of community solar assets, which currently totals 95 MW of installed capacity across ...

[Enel North America completes 202-MW solar ...](#)

Feb 6, 2025 · Enel North America, a clean energy, has started operations at the Estonian solar + storage plant in Delta County, Texas. The 202-MW ...
