

Porto Novo Communication Green Base Station Construction Project

Overview

When will Porto's Pink Line open?

This line will help alleviate pressure on Porto's most central metro hubs and allow for quicker east-west travel without requiring transfers. The final tunnel of the Pink Line project between Casa da Música and Galiza opened in August 2025 with this portion of the project currently expected to open in March-April 2026.

How will the Lisbon Metro connect Rato & Cais do Sodré?

The €331.4 million project will eventually connect Rato and Cais do Sodré, completing a full circle in the Lisbon Metro and introducing two new stations: Estrela and Santos. This connection is expected to radically simplify transfers for riders moving between the Green, Yellow, and Red lines.

Will there be a new subway station in Lisbon?

These will be the first new subway stations in Lisbon since April 2016 when the Blue Line was extended from Amadora Este to Reboleira. While Lisbon Metro authorities awarded a €321.9 million contract for the Red Line extension in late 2023, the project has not yet broken any ground!.

What's going on in Lisbon & Porto in 2025?

So what's going on?

Here's a comprehensive update on the major infrastructure projects currently underway in Lisbon and Porto in 2025. Originally projected to open in October 2024, the much-anticipated Circular Line has run into delays but is still mostly on track.
