

# **Qatar solar container outdoor power custom factory**

## Overview

---

Who makes solar energy in Qatar?

The state-owned group, Qatar Solar Energy, is a leading manufacturer of solar power components and last year opened the largest integrated production facility for solar energy systems in the Middle East and North Africa region. Even more recently, Qatar's Solar Technologies, took a 49% stake in German-based SolarWorld.

How many solar panels does Qatar have?

Spanning 27□—equivalent to 3,790 football fields—the massive site will be fitted with 2.74 million solar panels. Upon completion in 2030, the plant will generate enough electricity to power approximately 750,000 households, even considering Qatar's high per-capita energy use.

What is Qatar's largest solar power project?

Samsung C&T E&C Group has been awarded the contract for Qatar's largest solar power project, underscoring its growing leadership in renewable energy infrastructure. Commissioned by QatarEnergy, the 2,000MW Dukhan Solar Power Project represents the largest capacity solar facility ever undertaken by a Korean construction company.

What is Samsung C&T doing with Qatar's largest solar project?

Samsung C&T secures Qatar's largest solar project, a 2,000MW facility in Dukhan covering 27□ with 2.74 million panels, strengthening its leadership in global renewable energy EPC.
