

Roman energy storage power supplier

Overview

What is Romania's largest battery project?

Leading the development is Nova Power & Gas, part of the Romanian E-Infra Group, which has unveiled plans for the nation's largest battery project to date. The company will build a 400 MWh facility in Florești, Cluj county, which is expected to be operational by the end of 2025.

Does Romania have a double taxation of stored electricity?

Romania's National Energy Regulatory Authority (ANRE) recently eliminated the double taxation of stored electricity. The new rules exempt electricity stored and then reinjected into the grid from several tariffs, removing a significant financial barrier for investors.

How is Romania transforming the European energy landscape?

The investment wave, supported by key regulatory changes, is elevating Romania in the European energy landscape. Leading the development is Nova Power & Gas, part of the Romanian E-Infra Group, which has unveiled plans for the nation's largest battery project to date.

How many energy storage systems will Nova have in 2028?

Nova also suggested that by 2028, the company plans to install energy storage systems of up to 600 MW / 1,200 MWh overall, supporting its gas power plants. Meanwhile, technology company Visual Fan announced this week that it has secured two separate contracts for a combined 182 MWh of battery energy storage system (BESS) projects.

Roman energy storage power supplier

Silmaril Storage

Silmaril will build and operate necessary infrastructure, using best-in-class storage technologies, to provide flexibility to the grid, enabling the clean energy revolution and delivering attractive ...

[R.Power sells stake in 127-MW energy ...](#)

Jun 30, 2025 · A unit of Polish renewables company R.Power has agreed to sell a 49.99% stake of a Romanian company holding the rights to a ...

[Spotlight on Romania: The 600 MWh battery storage boom](#)

Jul 31, 2025 · Enterprising companies in Romania's energy storage market have expansion, with recent announcements from two major players, Nova Power & Gas and Visual Fan, set to add ...

[R.Power sells stake in 127-MW energy storage project in ...](#)

Jun 30, 2025 · A unit of Polish renewables company R.Power has agreed to sell a 49.99% stake of a Romanian company holding the rights to a battery energy storage system (BESS) of
