

Solar container energy storage system of Chiang Mai Electric Institute Thailand

Overview

Who is Chiang Mai solar?

the only local manufacture of solar panels! Chiang Mai Solar designs and installs solar-related systems such as Solar Electric Systems, Solar Water Heating, Solar Pool Heating and many more. Utilizing solar energy through Solar cells or a dedicated solar power receiver. To help save money in the long term and environmental friendly.

Why should you choose Chiang Mai solar?

Knowledge of SOLAX Technology Battery products is another advantage of Chiang Mai Solar. We can provide accurate information for customers. It also introduces the product range for efficient energy storage and trouble-free later installation. overall amount of electricity of the house.

Does Chiang Mai solar repair equipment?

Chiang Mai Solar has the ability to repair equipment or defective materials in each model, which requires experience in the equipment. Under the supervision of knowledgeable engineers, to correct the on-the-spot and get the system back to work perfectly.

Are there grid-scale energy storage projects in Thailand?

There are currently few grid-scale energy storage projects in Thailand, although the situation is likely to change. In furtherance of its commitments under the Paris Agreement, the Thai government has enacted policies which envisage renewable energy accounting for the majority of grid capacity and output by 2040.
