

Solar container outdoor power AC2A

Overview

Equipped with 204.8Wh capacity, 300W continuous output, and up to 600W lifting power, the pint-sized AC2A weighs only 7.9 lbs / 3.6 kg, making it a perfect grab-and-go powerhouse for camping, RV trips, outdoor getaways, and more. How to charge ac2a?

You can also get it charged via solar panel, car, and lead-acid battery. [Safe & Durable] - Built with LiFePO₄ battery batteries and BMS for safety and longevity. The AC2A can be activated even when the battery runs out, making it a perfect power source for emergency relief.

What is ac2a & how does it work?

The AC2A can be activated even when the battery runs out, making it a perfect power source for emergency relief. [App Remote Control] - Using the BLUETTI App, you can monitor its status, set the charging / discharging mode, and achieve an OTA update on your phone. Intelligent power management made easy.

Is ac2a a good energy solution?

Tailored for your every need, AC2A is a wise energy solution for various scenarios, including outdoor activities, mobile office, home backup, and emergency relief. Empower your life without compromising optimal comfort and convenience. The AC2A allows up to 200W solar input, efficiently topping it up in just 1.2 hours.
