

Solar powered portable outlet in Tunisia

Overview

Can a universal power adapter fit Tunisia outlets?

Universal power adapters usually come with multiple plug types and can be adjusted to fit Tunisia outlets and many others. If your devices are not compatible with the voltage in your destination country, a voltage converter or transformer will also be necessary to convert the voltage to the appropriate range for your devices.

Are there electrical outlets in Tunisia?

No, the electrical outlets in Tunisia are different from those in the United States. In Tunisia electrical outlets of types C & E are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Tunisia?

The electrical outlets and power plugs in Tunisia are of types C & E (see images).

Do I need a travel adapter for a Tunisia Charger?

However, it is possible you'll need an adapter to plug the charger into a Tunisia outlet. Tunisia uses electrical outlets and power plugs of types C & E (see images). If your country uses the same electrical outlets and power plugs, you don't need a travel adapter.

Do I need a power adapter in Tunisia?

If your devices are compatible with these specifications, you will not need a power adapter. However, if your devices use a different plug type or are not compatible with the voltage in Tunisia, you will need a power adapter and/or a voltage converter/transformer.
