

# **Switchgear equipment in China in Germany**

## Overview

---

Who is ABB Xiamen switchgear?

In 1994, ABB Xiamen Switchgear Co., Ltd. was awarded ISO9001 Quality Management Certification, and in 1996, company was awarded ISO14001 Environmental Management Certification. The company won also several important awards, such as “Clean Production Enterprise” and “China National Double-Excellence Foreign-Invested Company”.

What is switchgear & how does it work?

Switchgear protects electrical equipment and circuits from damage caused by overcurrent, voltage spikes and other faults in the system. Our goal at DOHO is to be complete solutions provider for all your switchgear product needs.

Who is Doho electrical equipment & switchgear?

DOHO is one of the top electrical equipment and switchgear companies in the world, specializing in the production of low-voltage and medium-voltage switchgear as well as key components such as circuit breakers, relays, contactors, and protectors.

What is LV switchgear?

LV (Low voltage) switchgear is an engineered solution used to control, protect, and isolate electrical equipment or systems to allow work to be done and clear faults quickly and safely when required.
