

Tehran Folding Container High Temperature Resistant Cooperation

Overview

Who is the largest producer of polyethylene tanks & polymer products in Iran?

"Tabaristan Plastic Complex" company with more than 1500 expert workers is the largest producer of polyethylene tanks and polymer products in Iran.

Where to buy polyethylene tanks in Iran?

Unit 2, 1st Floor, 25 Pesian Street, Makouipour Street, Timourian Alley, Zaferanieh, Tehran. Tabarestan Plastic Complex Company, with more than 300 active agencies, is the largest producer of Polyethylene tanks by roto-molding method in Iran, which officially started its activity in 1996.

What is a Feurer insulated container?

FEURER insulated containers offer the ideal solution for the transportation and storage of temperature-sensitive products. Whether food, medical products or sensitive goods – our insulated containers ensure reliable temperature maintenance to keep your products fresh and safe at their destination.

Why should you choose a thermocontainer?

Made of resistant EPS and robustly constructed, the thermo container offers high stability and is particularly suitable for the storage and transportation of medical products or perishable goods. Thanks to the flexible sizes and individual adaptations, the Thermocontainer can be tailored to specific requirements.

Tehran Folding Container High Temperature Resistant Cooperation

High temperature resistance

High temperature polymers are available first as unmodified heat-resistant materials and second as modified high-performance thermoplastics. By adding reinforcing materials such as glass or ...

Insulated containers for temperature-controlled logistics

Insulated containers ensure secure, efficient, and sustainable transport for temperature-sensitive goods. They maintain the cold chain and protect product integrity. Perfect for pharmaceuticals, ...

PTFE Containers

PTFE containers offer corrosion resistance and high temperature tolerance. Ideal for various industrial applications. Shop now ...

Top 12 Folding Carton Manufacturers in Iran (2025) , ensun

The potential for growth in Iran's folding carton market is significant, driven by increasing demand in sectors like food and beverages, cosmetics, and pharmaceuticals.

Technological Innovations in Iran's Plastic Industry

Aug 20, 2025 · In Iran, companies like Khoydak Plastic use this technology for precise control of temperature, pressure, and cooling time, which leads to the production of high-quality ...

List of materials that can withstand high temperatures

Discover a list of materials that can withstand high temperatures, including metals, ceramics, and polymers. Explore heat-resistant options like tungsten, silicon carbide, PEEK, and more, ideal ...

PTFE Containers

PTFE containers offer corrosion resistance and high temperature tolerance. Ideal for various industrial applications. Shop now for quality and durability., Alibaba

[Insulated containers for temperature-controlled ...](#)

Dec 7, 2025 · FEURER insulated containers offer the ideal solution for the transportation and storage of temperature-sensitive products. Whether food, medical products or sensitive goods ...

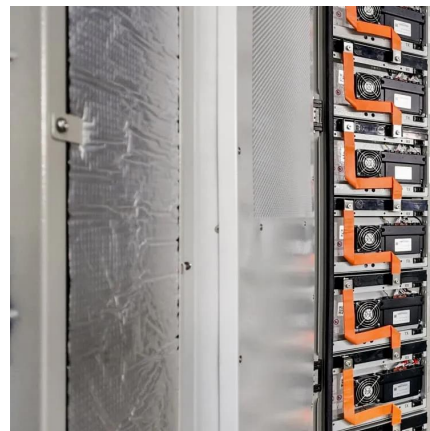

[About jilafe Plast Company](#)

Nov 20, 2025 · About jilafe Plast Company With over a decade of experience and expertise in producing plastic containers using the modern In-Mold Labeling (IML) technology, jilafeh Plast ...

[Insulated containers for temperature ...](#)

Insulated containers ensure secure, efficient, and sustainable transport for temperature-sensitive goods. They maintain the cold chain and protect ...

[Insulated containers for temperature ...](#)

Dec 7, 2025 · FEURER insulated containers offer the ideal solution for the transportation and storage of temperature-sensitive products. Whether ...

[Explore the Best High Temperature Plastic Materials](#)

Feb 24, 2024 · Discover the top performers in high-temperature plastic materials with our comprehensive guide. Find the best materials for your specific needs.

[Tabarestan Plastic Complex](#)

Tabarestan Plastic Complex Company, with more than 300 active agencies, is the largest producer of Polyethylene tanks by roto-molding method in ...
