

Warranty for wind and solar hybrid solar container communication stations

Overview

What is smart PV warranty services?

UK PSTI STATEMENT Smart PV Warranty Services provides Warranty Services about HUAWEI FusionSolar Utility C&I Residential and HUAWEI FusionSolar SmartPVMS if any product quality defects occur during the warranty period, HUAWEI will provide free services based on the specified service level and scope.

Does Huawei smart PV have a warranty?

The table above provides warranty descriptions for Huawei Smart PV's products, devices, and solutions. These descriptions reflect the general warranty services. However, in specific countries and regions, the warranty services and service level agreements (SLAs) may vary slightly due to local requirements.

What is Huawei warranty service?

Huawei provides customers with a warranty service, which is a maintenance guarantee or quality assurance (QA) service, to ensure product quality within a specified period. If any product quality defects occur during the warranty period, Huawei will provide free services based on the specified service level and scope.

Are warranty services & service level agreements different in different countries?

However, in specific countries and regions, the warranty services and service level agreements (SLAs) may vary slightly due to local requirements. In the event of any conflict, the contract clauses always take precedence.
