

What is the warranty policy for the Asmara City Battery Cabinet

Overview

Does a battery storage system need a warranty?

A battery storage system is a decades-long investment that a warranty can help protect. The less power your system stores, the more your home may need to draw from the utility company, which eats into your savings. A good warranty ensures that if your battery experiences a problem, that it will be replaced and your investment will be protected.

What is the warranty period of a car battery?

In life, car batteries, cell phone batteries and laptop batteries are usually lithium batteries, but their warranty time is different, car battery warranty period is usually 5 years, cell phone battery warranty period is usually one year, laptop warranty period is usually 3 years.

Does the total throughput of a battery exceed warranty coverage?

2.2 The total throughput of the battery exceeds the warranty coverage. Generally, when a battery is shipped from the factory, the manufacturer will set the total amount of energy that the battery can provide over the life of the battery.
