

# Wholesale usb c power station in Sydney

## Overview

---

Which USB Power Points are available in Australia?

Options include USB-A and USB-C chargers, with single or dual points. Shop your Ravelo or Clipsal USB Power points online with free delivery Australia wide available. Your clients will love our range of power points with USB. Options include USB-A and USB-C chargers, with single or dual points.

How many devices can a USB charging station charge?

With a total power of 120W, this charging station can charge up to 10 devices simultaneously, including smartphones, tablets, and other USB-powered devices. Its sleek and compact design makes it a perfect fit for your office, while its smart power chip technology ensures that your devices are charged quickly and safely.

Why should you buy a J Burrows power station?

This J.Burrows Power Station is perfect for keeping all your devices powered up at once. It features multiple USB-A and USB-C connections as well as a tray holder so devices can be stacked neatly and not clutter up the workplace. Short circuit, overcurrent and overtemperature protections ensure a safe charge every time.
