

# **Winch circuit breaker factory in Norway**

## Overview

---

Who is Bryne winch solution?

Bryne Winch Solution is known for manufacturing first class winches, with high quality and reliability. Our standard production consists of hydraulic hoisting winches up to 12 tons, davit winches up to 6.75 tons and pulling winches up to 30 tons. Our winches have been delivered for over 30 years all over the world.

Who is nor crane & winch?

Nor Crane & Winch Group is an industry leader in pulling and lifting equipment for the offshore and marine markets. As a specialist provider for electrical and hydraulic deck machinery, Nor Crane & Winch operates a competitive and reliable business, with capabilities including:.

What services does nor crane & winch offer?

Nor Crane & Winch also carry out on-site services such as troubleshooting, surveys and inspection of all hydraulic equipment, as well as installation, start-up and commissioning of hydraulic equipment such as winches, cranes, powerpacks, cylinders and others.

Who makes Bryne winch?

The first “Bryne Winch” was developed and supplied by Bryne Mekaniske Verksted AS (BMV). In 2004, BMV was divided into three companies: machining (Bryne Mekanikk), project (Depro) and winch (DaVinci). The machining business was sold to the Aarbakke group the following year.
